

# Meatroom Cleaner / Degreaser

*El Petró se Basó el Tratamiento de Fregona de Polvo*

## Description

This labor-saving product forms a thick, stable foam that clings to vertical surfaces when applied through a “foam gun” apparatus. A longer contact time will allow this product to easily remove grease, oil, fat, dirt, and grime from virtually all washable surfaces. Versatile and economical, this product is also an effective cleaner/degreaser when applied by more conventional means such as trigger sprayer, mop, or pressure sprayer.

## Directions

- 
**1 Wear safety glasses & gloves**  
*Usar gafas de seguridad y guantes*
- 
**2 Use 2 oz of product per 1 gallon of water**  
*Usar 2 oz de producto por 1 galón de agua*
- 
**3 Apply foam liberally to surface**  
*Aplique abundante espuma a la superficie*
- 
**4 Allow time to penetrate and scrub as needed**  
*Dé tiempo para que penetre y friegue lo necesario*
- 
**5 Rinse thoroughly with clean water**  
*Enjuagar completamente con agua limpia*

*For detailed instructions and safety information, please review container label and SDS.*
